

Santiago

Sharp, smart and looks the part

Though there are several recipe variations, the essential ingredient of the Santiago is grenadine, a non-alcoholic syrup made from the juice of the pomegranate. A few drops lend a bittersweet taste and rosy blush to this zingy drink.

Ingredients:

50 ml Havana Club Añejo 3 Años
50 ml Freshly squeezed orange juice
10 ml Grenadine
3 Ice cubes
1 Cocktail shaker or a large jar with a lid

Steps:

1. Fill a shaker or large jar with ice cubes.
2. Pour in all the other ingredients.
3. Shake it like you mean it for 30 seconds.
4. Strain into a chilled cocktail glass and...salud!
